LIVESTOCK PRODUCT - KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE

Give to pigs through the drinking water as a source of functional proteins. Liquitein is ready to use as a stock solution (no mixing required). Use at the rate of 1 ounce per gallon of drinking water (1:128 medicator). In certain circumstances, more product can be provided by using 1:100 or 1:50 medicators.

TECHMIX GIVES NO WARRANTY OF MERCHANTABILITY or any other warranty which extends beyond the description on the label. In no event shall TECHMIX be responsible for incidental or consequential damages. This product was made in a feed manufacturing facility that does not handle or store products containing animal proteins prohibited in ruminant feed.
