Re: Vendor Approval

To whom it may concern:

Cargill, Inc. (Cargill), with its corporate office at 15407 McGinty Road West, Wayzata, MN 55391, has been approved as a vendor of products to Ag ProVision. Ag ProVision has confirmed that Cargill operates in accordance with the current Good Manufacturing Practices as defined in 21 CFR 507 for feed/animal food and that Cargill requires all suppliers and external manufacturers to be in compliance with the same. Cargill is also compliant with all applicable requirements of the Foreign Supplier Verification Program (FSVP) and is listed as the FSVP importer for any non-US sourced products. This approval is equally applicable for any products from the Cargill family of brands delivered to customers in the US (Diamond V, Nutrena, Provimi, Purina, Delacon, and/or as noted at <https://www.cargill.com/animal-nutrition/brands>).

Cargill will be included in the vendor performance ranking programs for conformance with performance standards established by Ag ProVision, LLC in the areas of Regulatory, Purchasing, Customer Support, Warehousing, and Business Relationships.

GHS compliant documentation for all products offered by Cargill is available at www.agprovisionllc.com.

If any additional information is required on this vendor approval, feel free to contact me at the letterhead address.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Teena F. Middleton', is written over a large, stylized blue circular flourish.

Teena F. Middleton, Ph.D.
Director of Regulatory and Technical Affairs
