

FSVP Compliance Statement

This letter is to confirm that Diversified Ingredients (DI) is in compliance with the requirements outlined by the FDA Food Safety Modernization Act (FSMA) including Foreign Supplier Verification Program (FSVP) rules for the import of ingredients when DI is defined as the FSVP Importer of Record. DI's written FSVP procedure is in place to verify that all new foreign suppliers are following FDA regulations or equivalent standards and includes monitoring & reevaluation of suppliers after initial approval is given. If you have any further questions, please contact Diversified Ingredients.
