Tylovet 40 FSVP Declaration

To whom it may concern:

Huvepharma Inc. St. Louis site located at 3360 Maury Ave. St. Louis, MO 63116 (hereafter Huvepharma) as the importer of Tylovet 40 products manufactured at Biovet JSC located in 39, Petar Rakov St., Peshtera 4550, Bulgaria; assumes all the foreign supplier responsibilities as described in the Foreign Supplier Verification Program (FSVP) for these products.

Upon review of the required documentation presented by Biovet JSC, Huvepharma agrees no additional controls beyond the ones in place at Biovet JSC are required to control known or foreseeable hazards associated to Tylovet 40 and/ or to ensure the safety of the product supplied.
