

## Certificate of Conformance

Date: February 15, 2018

Customer Contact:           Name: Windy Mobley  
  Title: Corporate Purchasing Manager  
  Phone Number: 919-658-6743 ext. 2375  
  E-mail address: [wmobley@butterball.com](mailto:wmobley@butterball.com)

This document certifies that the aluminum foil sheets shipped to Butterball, LLC, have been manufactured, inspected, and tested in accordance with the Aluminum Association Standards, ASTM B-479 and FDA regulations 21 CFR 178.3910 (surface lubricants used) and 21 CFR 174.5 (safe manufacturing procedures for food packaging). The quality system at Lite Gauge Metals, Inc., and its suppliers, requires that all identified non-conforming product be quarantined and held at Lite Gauge Metals, Inc. unless the customer is notified and approves the shipment.

Therefore, receipt of material from Lite Gauge Metals, Inc. indicates the material has passed our internal quality inspection and has been determined to comply with product specifications. You would be made aware of any exceptions to this procedure prior to the receipt of the material.

Company Contact:           William J. Russell
