CERTIFICATE OF ORIGIN

The following product, ordered by Ag ProVision, Inc., is produced to the following specification:

.0015 x 24" x 24" Aluminum Foil Sheets
Alloy: 1000 Series; Temper '0' (Soft)
Tissue Interleaved

- The aluminum foil used is currently manufactured in the United States and plans are in place to also receive material from the EU to supplement supply.
- The aluminum foil is processed by Lite Gauge Metals, Inc. in Avon, OH USA. The processing includes the interleaving of aluminum foil and tissue, as well as, the process of shearing the combined materials to the correct sheet size, and packaging per Ag ProVision specifications.
