Re: Vendor Approval

To whom it may concern:

AB Vista, with its corporate office at 150 South Pine Island, Suite 270, Plantation, Florida 33324, is approved as a supplier of Econase brand xylanase and Quantum Blue phytase to Ag ProVision, LLC. Both enzymes are manufactured for AB Vista at Roal Oy, a FAMI-QS certified facility in Rajamaki, Finland and are blended for US distribution at FAMI-QS certified facilities located in the United States that operate in accordance with the current Good Manufacturing Practices for feed ingredients as per 21 CFR 507. AB Vista is a historically approved vendor for Ag ProVision with an overall vendor rating of > 90% for conformance with performance standards established by Ag ProVision, LLC in the areas of Regulatory, Purchasing, Customer Support, Warehousing, and Business Relationships.

GHS compliant documentation for Econase offered by AB Vista is available at www.agprovisionllc.com.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Teena F. Middleton', is written over a large, stylized blue circular flourish.

Teena F. Middleton, Ph.D.
