

ZOETIS SUZHOU MANUFACTURING Co., Ltd
No.690 Jian Lin Road, Suzhou, Jiangsu, P.R.C.

MANUFACTURING COMPLIANCE STATEMENT

Product Name: LINCOMIX 20 PREMIX

CODE No.: 10000801

NDC/ANA No.: 29217-0494-7

RCS No.: 1447000

Package Size: 50 LB.

Supplier Lot No.: 21101089

Manufacturing Date: Oct 19 21

Expiration Date: Sep 2025

Manufacturing / Packaging Review

The batch documentation for the above listed lot of product has been reviewed and all aspects of the manufacturing and packaging were judged acceptable and consistent with the requirements outlined in the master manufacturing documents. All raw materials have been obtained from ZOETIS SUZHOU MANUFACTURING Co., Ltd approved sources and meet all internal requirements. Any manufacturing deviations have been thoroughly reviewed and approved.

Quality Assurance Review

The batch documentation for the above listed product has been reviewed and found acceptable. Any deviations have been thoroughly reviewed and approved. The results of all in-process testing meet internal requirements. The lot has been tested and conforms to all Control internal targets. The product complies with USP <467> based on an assessment of solvents likely to be present in all components and based on the amount of drug product consumed on a daily basis. Option 1 was used. A Certificate of Analysis is attached. All batch documentation and file retention samples are retained by ZOETIS SUZHOU MANUFACTURING Co., Ltd and are available for review.

This lot is judged acceptable and released by ZOETIS SUZHOU MANUFACTURING Co., Ltd. to ZOETIS Inc. U.S.A.
