Re: Supplier Approval

To whom it may concern:

Heilongjiang Chengfu Food Group Co., Ltd. (CHENGFU) with their manufacturing operations in the Economic Development Zone of Zhaodong City, Heilongjiang Province, China, is approved as a supplier of amino acid products to Ag ProVision, LLC. Ag ProVision has confirmed that CHENGFU operates in accordance with the current Good Manufacturing Practices (cGMP) for feed ingredients as per 21 CFR 507. CHENGFU does not supply products directly to Ag ProVision but markets through Nexatis, Inc. which has assumed all FSVP responsibilities for its importation. Therefore, CHENGFU will not be included in the vendor performance ranking programs for conformance with performance standards established by Ag ProVision, LLC in the areas of Regulatory, Purchasing, Customer Support, Warehousing, and Business Relationships.

GHS compliant documentation for all amino acid products supplied by CHENGFU is available at www.agprovisionllc.com.
