All products are in full compliance of all applicable requirements of the Food Safety Modernization Act laid out in 21 CFR §507 - Current Good Manufacturing Practice, Hazard Analysis, and Risk-Based Preventive Controls for Food for Animals. All manufacturing sites are FDA registered in accordance with FSMA, Sec. 415 FFD&C Act [21 U.S.C. § 350d], as well as the Bioterrorism Act of 2002. Where applicable Evonik Corporation is registered as the US importer of records fulfilling the requirements of 21 CFR §1.502 Subpart L - Foreign Supplier Verification Programs for Food Importers.

Additionally Evonik assures compliance with:

- Sec. 402 FD&C Act [21 U.S.C. § 342] - Adulterated Food
- Sec. 403 FD&C Act [21 U.S.C. § 343] - Misbranded Food
- 21CFR Sec. 589.2001 - Cattle materials prohibited in animal feed
- 21CFR Sec. 589.2000 - Animal proteins prohibited in ruminant feed
- AAFCO Animal Feed Labeling Guide,

and guarantees, that the following products are free from:

- allergens
- antibiotics
- melamine
- sewage sludge
- radiation
- raw materials of animal origin.

Due to the global nature of Evonik's business, our company is deeply aware of and accepts its corporate responsibilities. This is, amongst others, visible through the global implementation of ESHQ systems, ISO 9001, ISO 14001, FAMI-QS, and for US sites RC 14001, as well as Evonik's own Code of Conduct released by our executive board. Evonik therefore refuses to sign ESHQ Policies, Code of Conducts, or Letters of Continuing Guarantee provided by customers.

Table 1. Feed Additives sold in the US, their legal status and manufacturer identification.
