RE: Supply-Chain Program Response for Adi-Flow Dry

Dear Ms. Middleton:

I am writing in response to your Supply-Chain Program inquiries regarding Adi-Flow Dry product.

Adi-Flow Dry is manufactured by Nutriad, International NV, Belgium, parent company to Nutriad, Inc., Hampshire, IL. Nutriad, Inc. of Hampshire, IL is an importer of Adi-Flow Dry product.

Adi-Flow Dry meets all requirements of Nutriad, Inc.'s Foreign Supplier Verification Program and is produced in accordance with 21 CFR Part 507 – Current Good Manufacturing Practice regulations.

Nutriad, Inc. assumes all responsibility for quality of Adi-Flow Dry.

Certificates of Analysis are issued by lot number. These, along with Safety Data Sheets and Technical Information Sheets and can be acquired upon request through our Customer Service Manager, Athena Modesitt. Her direct line and email are: 847-214-4863, A.MODESITT@nutriad.com.

If I can be of any further assistance to you, please do not hesitate to contact me.

Sincerely,

Robin L. Bugner
QC/QA Specialist
