**Re: Supplier Approval**

To whom it may concern:

Prince Agri Products, Inc., with its manufacturing facilities located on 229 Radio Road, Quincy, IL 62305, is approved as a supplier of products to Ag ProVision, LLC. Prince Agri Products operates according to cGMP standards for food for animals. Prince Agri Products does not supply products directly to Ag ProVision but markets through its parent organization Phibro Animal Health. Prince Agri Products will no longer be included in the vendor performance ranking programs for conformance with performance standards established by Ag ProVision, LLC in the areas of Regulatory, Purchasing, Customer Support, Warehousing, and Business Relationships as Ag ProVision no longer does business directly with Prince Agri Products.

GHS compliant documentation for all products offered by the corporate partners of Prince Agri Products is available at [www.agprovisionllc.com](http://www.agprovisionllc.com).

Respectfully,

A handwritten signature in blue ink, appearing to read "Teena F. Middleton", is written over a large, stylized blue scribble.

Teena F. Middleton, Ph.D.  
Director of Regulatory and Technical Affairs
