

January 14, 2022

To: Ag Provision

Subject: FSMA & FSVP

This letter is being written to warrant that all of the products sold Ag Provision by Adisseo USA fully meet the requirements of the US Food Safety Modernization Act (FSMA), including the Final Rule on Foreign Supplier Verification Programs (FSVP) for Importers of Food for Humans and Animals. Also, all suppliers are also required to register as a feed/food facility with the US FDA as required by the US Bioterrorism Act.

The importer is listed below. The qualified individual (QI) overseeing the program meets the training requirements as explained by FSMA and FSVP program. The person overseeing the program has over 10 years' experience in quality and food safety, HACCP, and is PCQI certified.

**Acceptance and Identification of FSVP Importer:**
