Benson, NC 27504

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water.

Avoid alcohol. Call a physician immediately. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

**SEE SIDE PANEL FOR ADDITIONAL
PRECAUTIONARY STATEMENTS**

DOSAGE:

For drinking water use in proportioners: Add 946 ml (one quart) to 7568 ml (two gallons) of stock solution. Set proportioner to meter 1 oz. per gallon of drinking water.

*** * * CAUTION * * ***

Avoid spilling on skin or clothing. Wash area immediately with ammonia or milk base.

DO NOT USE UNDILUTED
