

BASE LINE CLEANER

POULTRY AND LIVESTOCK WATER LINE CLEANER

DIRECTIONS FOR USE

Shake well before use. To clean main water lines and medication tanks, use BASE LINE CLEANER followed by ACID LINE CLEANER (consult with appropriate technical staff prior to using on drinkers). Mix one (1) gallon BASE LINE CLEANER in 100 gallons of water. Allow to stand in lines for approximately one (1) hour prior to flushing. Flush lines completely to the outside of house. Continue flushing until lines run clean. Mix one (1) gallon ACID LINE CLEANER in 100 gallons of water. Allow to stand in lines for approximately one (1) hour prior to flushing. Flush lines completely to the outside of house. Continue flushing until lines run clean.

HANDLING & STORAGE

Keep container tightly closed and store in a secure cool, dry, well-ventilated area when not in use. Protect containers from abuse and away from incompatible materials, food and drink. Wear suitable protective clothing, gloves, and eye/face protection during use. Use only in well-ventilated areas or wear an appropriate respirator. Do not breathe mist or vapor formed during mixing. Do not eat, drink, or smoke when using this product. Wash hands and exposed

skin thoroughly after handling. Keep this and other chemicals out of reach of children.

DISPOSAL CONSIDERATIONS

Dispose of contents and containers in accordance with state, local, and federal regulations. Consult your local, state, or federal agency before disposing of any chemicals.

COMPONENTS

Potassium Hydroxide (CAS 1310-58-3).....≤ 30%
Sodium Hypochlorite (CAS 7681-52-9).....≤ 5%

DANGER

Causes severe skin burns and eye damage. Harmful if swallowed.

RESPONSE

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.

IF ON SKIN: Remove immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse.

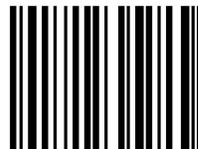

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor if you feel unwell.

For industrial and commercial use only.

Before using, read Safety Data Sheet (SDS) for the product.
