

BIO GEL

HEAVY DUTY GEL FOAMING CLEANER FOR AGRICULTURE

USES:

Bio Gel is a strong alkaline gel cleaner formulated for longer surface contact time resulting in better cleaning penetration.
Use on all agriculture housing surfaces, equipment and hatchery surfaces.
Do not use on automotive finishes.

DIRECTIONS FOR USE:

Dilute Bio Gel at the rate of 4oz to 8oz per gallon of water depending on soil load.
Apply with air foaming equipment or high pressure foaming equipment under low pressure and allow soaking time of 15 to 20 minute, but do not allow to dry.
Rinse with high pressure water. Allow to dry and apply disinfectant.

CAUTION:

KEEP OUT OF REACH OF CHILDREN.
Causes severe burns. Always wear appropriate personal safety gear.
Always follow label directions.

FIRST AID:

Immediately remove all contaminated clothing.
In case of contact with eye or skin, rinse immediately with plenty of water and seek medical advice.
