

CASCO Chlorinating Composition Powder is a concentrated dry bleach compound for cleaning and bleaching.

DIRECTIONS:

For wash use: Use 0.5 to 2 ounces of product per gallon of water, as required for cleaning or bleaching.

For laundry use: This product is not for use on colored fabrics in laundry application. Use 2 to 6 ounces of this product per 100 pound load.

For foot pan use: Add as needed to foot pan, a 1/2" level of powder. Adding more powder *will not* increase the cleaning or deodorizing efficacy. Remove organic matter as necessary and fully charge powder every two weeks to maintain leaning and deodorizing benefits.

WARNING:

Do not use this product with other laundry products, acid cleaners, or sanitizers as it may liberate chlorine gas.

This product may cause skin or eye irritation. Harmful or fatal if swallowed.

PROTECTIVE EQUIPMENT:

RESPIRATORY: When exposure exceeds permissible limits, use NIOSH N95 approved dust filter. **EYE:** Wear chemical goggles. **SKIN:** Wear gloves and impervious clothing while handling product.

CHLORINATING COMPOSITION POWDER

Chlorine Bleach

**CAUTION:
KEEP OUT OF REACH OF CHILDREN**
