Net Contents: 1 GALLON (3.785 L)

Manufactured for:

The logo for CSR Company, Inc. features the letters "CSR" in a large, stylized, blue font with a white outline, followed by "COMPANY, INC" in a smaller, blue, sans-serif font. The logo is set against a blue and white background that resembles a stylized mountain or a wave.

INDICATIONS: In cattle, horses and swine as a topical antiseptic for use prior to surgical procedures such as castrating and docking; for ringworm and foot rot for application to the navel of newborn animals; and for minor cuts, teat sores, bruises and abrasions.

DIRECTIONS: Remove spray cap from 16 oz container and refill from gallon container. Replace spray cap tightly. Hold container approximately 4 to 6 inches from the area to be sprayed. Point valve at the area to be sprayed. Pull trigger of valve and spray area once lightly. May be repeated daily, if necessary, until the area is healed.

CAUTION: If redness, irritation or swelling persists or increases, discontinue use and consult a veterinarian. Not for use on burns or in body cavities or deep wounds.

NOTE: When used on or near the teats or udders of dairy animals, the teats and udders should be thoroughly washed before the next milking to prevent contamination of milk.

INGREDIENTS: Active Ingredients: 1% Titratable Iodine
