A withdrawal of 3 days in meat and 48 hours in milk are recommended

Not for human use

Keep out of reach of children

Keep container tightly closed

Protect from freezing

Product Code# 32275022

**CONCENTRATED LIQUID
EXPECTORANT FOR DRINKING
WATER SOLUTIONS**

Providing Ideal Solutions... Everyday!

ACTIVE INGREDIENT

Guaifenesin- 128 grams/liter (3,785 mg per oz.)

CONTENTS

Gum guaiac (guaiacum officinalis herbal extract), propylene glycol, water, sodium carboxymethyl cellulose and artificial color.

DIRECTIONS FOR USE

MucuSol® may be added directly to the drinking water in a tank mix, or delivered in a stock solution premix through an automatic proportioner.

Mix MucuSol® into the drinking water at the rate of 100 ml for each 1000 Kg of bodyweight (1.5 ounces for each 1000 lb bodyweight).

Prepare fresh solutions daily. Repeat for 3-4 days or as necessary. Use as the sole source of drinking water.
