

OptiPhos® Plus 5,000 G

The Advanced Phytase

This product contains a source of phytase. Phytase increases the digestibility of phytin-bound phosphorus in poultry and swine rations.

GUARANTEED ANALYSIS

Phytase Activity (*Pichia pastoris*) (Min.) 5,000 FTU*/gram
Calcium(Min.) 19.5% - (Max) 21.6%

*One unit of phytase (FTU-ISO) is equal to the amount of enzyme that releases 1 micromole of inorganic orthophosphate from a sodium phytate substrate per minute at pH 5.5 and 37°C.

INGREDIENTS

Calcium carbonate, Rice Hulls, *Pichia pastoris*, mineral oil

RECOMMENDED MIXING DIRECTIONS

Mix 45 g to 544 g (equivalent to 0.1 lb to 1.2 lb) of OptiPhos® Plus 5,000 G per ton of complete feed.

STORAGE CONDITIONS

Unopened product: Store in a dry place at room temperature 22°C (72°F); use within 24 months from the date of manufacture. Refer to container for lot number and manufacturing date

Opened product: Use contents within short period.

*Conditions in pellet mills vary so please contact your Huvepharma technical representative to review applicable research data and determine the optimum use of OptiPhos Plus 10,000 G under your specific pellet mill conditions.

LOT #:

DATE OF MANUFACTURE:

NET WEIGHT 50 POUNDS (22.68 kg)
