

SAFTEY DATA SHEET

Section 1: Identification

Product Name: Dawelyte
Product Number: #2002B (8oz Pack), #2022B (50 Pail), #2020B (50 Bulk Carton)
SDS Number: AH-1008
Intended Use: Animal Feed
Manufacture's Name: Dawe's Laboratories
Manufacture's Address: 3355 North Arlington Heights Road
Arlington Heights IL, 60004
Telephone: (800)323-4317
Fax: (847)577-1898
Email: HQ@DawesNutrition.com

Section 2: Hazard Identification

Hazards: None
Label elements: **SIGNAL WORD:** N/A Due to FDA Labeling Exemption

Section 3: Composition/Information on Ingredients

Component	Casrn	Concentration
Dust from Prepared Animal Feed (Vitamin and Minerals)		100%

Section 4: First-Aid Measures

First Aid: Flush affected area with water

Section 5: Fire Fighting Measures

Extinguishing Media: Water.

Special Fire Fighting Procedures: None.

Unusual Fire and Explosion Hazards: None.

Section 6: Accidental Release Measures

Steps to be Taken in Case Material is Released or Spilled: Remove and put in appropriate container; flush residue with water into drain.

Waste Disposal Method: According to local regulations and standards.

Section 7: Handling and Storage

Store in a cool, dry, covered warehouse.

Section 8: Exposure Control/Personal Protection

Eye Protection:	Dust-tight goggles, if necessary.
Skin Protection:	Standard work gloves (rubber).
Respiratory Protection:	Respirator for fine dust.
Ventilation:	Adequate for dust.
Work/hygienic practices:	Comply with good manufacturing practices and local standards

Section 9: Physical and Chemical Properties

Boiling Point (°F):	N/A
Vapor Pressure (mm Hg):	N/A
Vapor Density:	N/A
Solubility in Water:	Highly Soluble
Specific Gravity (H ₂ O=1):	N/A
Percent Volatile by Weight:	N/A
Evaporation Rate:	N/A
Appearance and Odor:	Green Color, faint vitamin odor.

Section 10: Stability and Reactivity

Stability:	Stable when stored in a cool, dry, covered warehouse, in original, unopened container.
Hazardous Decomposition Products:	None.
Hazardous Polymerization:	Will not occur.

Section 11: Toxicological Information

Routes of Entry: Inhalation: X Skin: X Eyes: X Ingestion:

Carcinogenicity: NTP: NO ARC Monographs: NO OSHA Regulated: NO

Effects of Overexposure: Excess dust may cause slight irritation of the respiratory tract or eyes.

Section 12: Ecological Information (Non-Mandatory)

Section 13: Disposal Consideration (Non-Mandatory)

Section 14: Transport Information (Non-Mandatory)

Section 15: Regulatory Information (Non-Mandatory)

Section 16: Other Information

NONE
