SAFETY DATA SHEET

Prepared: 06.02.2015

Product Name: **EarlyBird®**

Revised: 06.02.2015

Emergency procedures – None
Containment – None

Section 9: Physical and Chemical Properties

Appearance – Green mixed feed preparation
Flammability – N/A
Odor – Natural grain smell
Vapor Pressure – N/D
PH – 5 -7
Relative Density – 0.5 - 1
Solubility – 1%

Section 10: Stability and Reactivity

Reactivity – None
Stability – None
Hazardous reactions – None
Incompatible materials – None

Section 11: Toxicological Information

Toxicological Information – N/A

Section 12: Ecological Information

Toxicity – N/A
Persistence – N/A
Bioaccumulation – None

Section 13: Disposal Considerations

Dispose waste according to federal, state, and local regulations.

Section 14: Transport Information

Contains no hazardous or dangerous material

Section 15: Regulatory Information

N/A

Section 16: Other Information

N/A
