

LINCOMYCIN 300

Section 1: Identification of the Substance and Supplier

Product Name	Lincomycin 300
Recommended Use	Treatment of infectious form of arthritis caused by organisms sensitive to its activity.
Company Details	Aspen Veterinary Resources, LTD 3155 Heartland Dr, Liberty MO 64068
Emergency Telephone	800-424-9300
Date of Preparations	11/06/15

Section 2: hazards Identification

Hazard Classification	CAS No.: 859-18-7
Priority Identifiers	 Warning
Secondary Identifiers	Can cause Skin and eye irritation. Ingestion may produce abdominal pain and vomiting.
Risk & Safety Phrases	None

Section 3: Composition/Information on Ingredients

Chemical Name	CAS Number	Concentration
Lincomycin HCl	859-18-7	300 mg Base
Benzyl Alcohol	100-51-6	.945%
Water for Injection	7732-18-5	QS

Section 4: First Aid Measures

Necessary First Aid Measures	Skin: Wash with soap and water. Eyes: Flush with water for a minimum of 15 minutes. Inhalation: None. Ingestion: Drink plenty of water. Call a physician if pain persists.
-------------------------------------	---

Section 5: Fire Fighting Measures

Type of Hazard	Not classified as flammable
Fire Hazard Properties	None Applicable
Regulatory Requirements	None Applicable
Extinguishing Media and Methods	Foam, Carbon Dioxide, Dry Chemical.
Hazchem Code	None Allocated
Recommended Protective Clothing	Self-contained breathing apparatus, gloves and goggles.

Section 6: Accidental Release Measures

Emergency Procedures	Wipe up or use absorbent material to collect. Dispose of by normal procedures.
-----------------------------	--

Section 7: Handling and Storage

Precautions for Safe Handling	Avoid contact with skin, eyes and mucosa. Keep containers adequately sealed during material transfer, transport or when not in use.
--------------------------------------	---

Regulatory Requirements

None Required

Handling Practices	Avoid contact with skin, eyes and mucosa. Keep containers adequately sealed when not in use.
Approved Handlers	Not Required
Conditions for Safe Storage	Keep containers adequately sealed. Store at controlled room temperature of 20° – 25°C (68° – 77°F)
Store Site Requirements	None Applicable

Section 8: Exposure control/Personal Protection

Workplace Exposure Standards	None Applicable
Application in the workplace	None Applicable
Exposure standards outside the workplace	None Applicable
Personal protection	Self-contained breathing apparatus, gloves and goggles.

Section 9: Physical and Chemical Properties

Appearance	Clear, practically odorless solution
Boiling Point	212°F (100°C)
Melting/Softening point	Not Applicable
Vapor Pressure	Not Available
Specific Gravity	1.0 – 1.1
Solubility (H ₂ O)	NLT 50%
Percent Volatiles	None Applicable
Evaporation Rates	None Applicable

Section 10: Stability and Reactivity

Stability of the Substance	Stable
Conditions to Avoid	None Applicable
Material to Avoid	None Applicable
Hazardous Decomposition Products	None Applicable

Section 11: Toxicological Information

Acute effects for individual ingredients only

Irritant to eyes and skin. Ingestion: Severe inflammation of the colon.

Section 12: Environmental Information

Effects for individual ingredients only

None Applicable

Section 13: Disposal Considerations

Disposal Information	Wipe up or use absorbent material to collect. Dispose of by normal procedures.
Reference	None Applicable

Section 14: Transport Information

Relevant Information

Not classified as dangerous goods for transport.

Section 15: Regulatory Information

Regulatory Status

ANADA 200-315

Section 16: Other Information

Additional Information

Not for Human Use. Keep out of reach of children. Swine intended for human consumption should not be slaughtered within 48 hours of latest treatment.
